

# Doyle Sails Gulf-Coast

## Conventional Mainsail Cover Measurement Form

Don't confuse these custom covers with the "one-size-fits-all" style offered by the competition. All our sail covers are custom constructed from Sunbrella® acrylic to your specifications. Made with velcro mast collar, twist-lock fasteners and grommet & line at the aft end. Your choice of Sunbrella® standard colors.

Use the handy Measurement Form below for a quick turn-around, or call us at 800 652-4914 regarding duplication of existing covers!

- \_\_\_\_\_ A. Circumference of mast, including any halyards that store inside the sail cover
- \_\_\_\_\_ B. Circumference at the headboard
- \_\_\_\_\_ C. Height from top of sail to the bottom of the boom
- \_\_\_\_\_ D. Aft end of sail around to forward centerline of mast
- \_\_\_\_\_ E. Circumference at 1/4 of "D" Measurement. Please measure
- \_\_\_\_\_ F. Circumference at 1/2 of "D" Measurement. Please measure
- \_\_\_\_\_ G. Circumference at largest point of clew patch
- \_\_\_\_\_ H. Distance from aft end of sail to end of boom
- \_\_\_\_\_ Provide dimensions for any spots that cannot have snaps, etc.

Measure from forward end of "D" Measurement
